- So What Does This Technology Look Like?

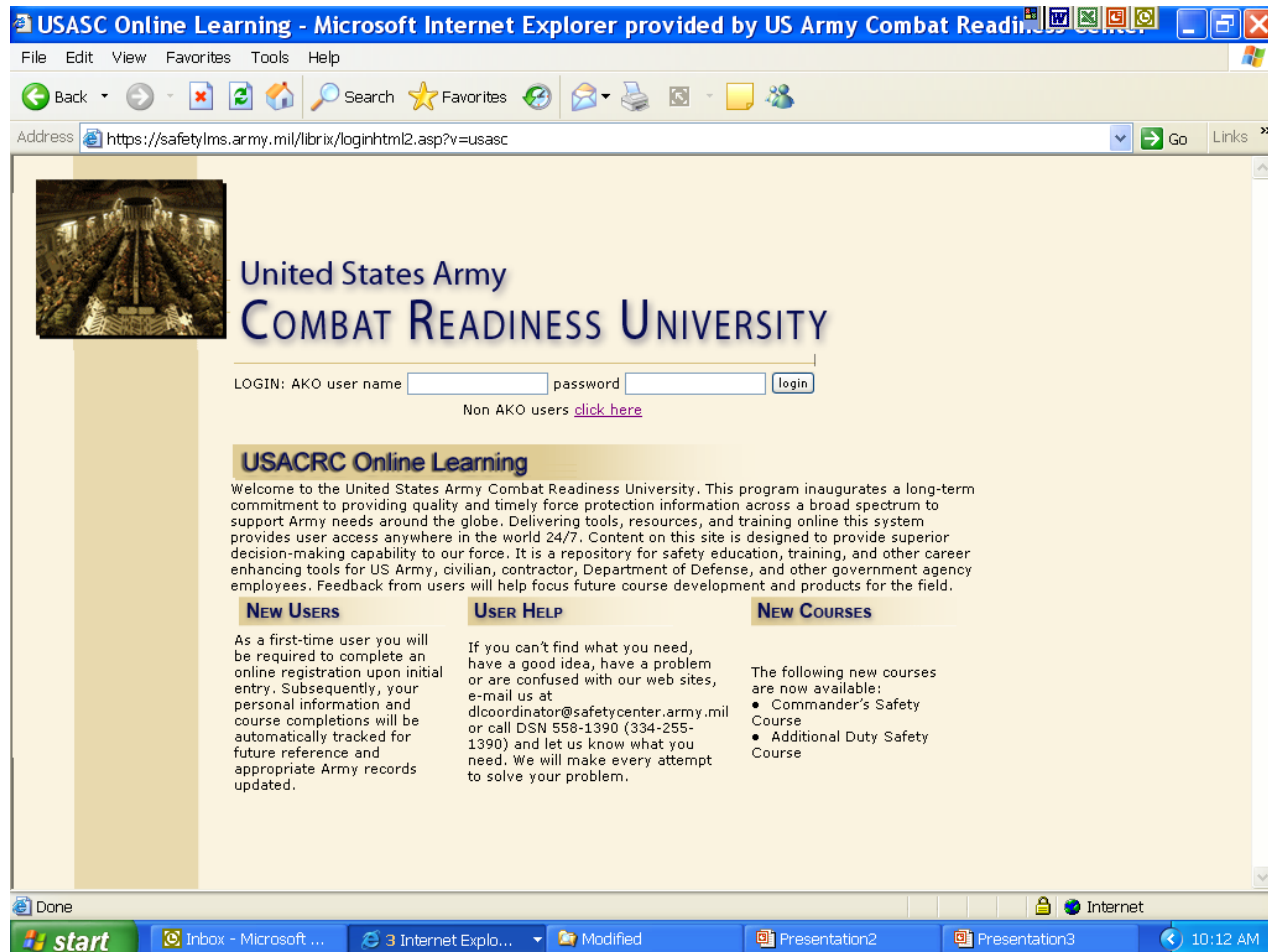

Let's take a look!

Combat Readiness University

Combat Readiness University

USACRC DISTANCE LEARNING

<https://safetylms.army.mil>

The screenshot shows a Microsoft Internet Explorer browser window displaying the USACRC Online Learning website. The browser's title bar reads "USASC Online Learning - Microsoft Internet Explorer provided by US Army Combat Readiness University". The address bar shows the URL "https://safetylms.army.mil/librix/loginhtml2.asp?v=usasc". The website header features a large image of a modern building interior and the text "United States Army COMBAT READINESS UNIVERSITY". Below the header is a login section with fields for "AKO user name" and "password", and a "login" button. A link for "Non AKO users" is also present. The main content area is titled "USACRC Online Learning" and contains a welcome message. Below this, there are three columns: "NEW USERS", "USER HELP", and "NEW COURSES". The "NEW COURSES" column lists two courses: "Commander's Safety Course" and "Additional Duty Safety Course". The Windows taskbar at the bottom shows the "start" button and several open applications, including "Inbox - Microsoft ...", "Internet Expl...", "Modified", "Presentation2", and "Presentation3". The system clock shows "10:12 AM".

USACRC Online Learning

Welcome to the United States Army Combat Readiness University. This program inaugurates a long-term commitment to providing quality and timely force protection information across a broad spectrum to support Army needs around the globe. Delivering tools, resources, and training online this system provides user access anywhere in the world 24/7. Content on this site is designed to provide superior decision-making capability to our force. It is a repository for safety education, training, and other career enhancing tools for US Army, civilian, contractor, Department of Defense, and other government agency employees. Feedback from users will help focus future course development and products for the field.

NEW USERS

As a first-time user you will be required to complete an online registration upon initial entry. Subsequently, your personal information and course completions will be automatically tracked for future reference and appropriate Army records updated.

USER HELP

If you can't find what you need, have a good idea, have a problem or are confused with our web sites, e-mail us at dicoordinator@safetycenter.army.mil or call DSN 558-1390 (334-255-1390) and let us know what you need. We will make every attempt to solve your problem.

NEW COURSES

The following new courses are now available:

- Commander's Safety Course
- Additional Duty Safety Course

Welcome to the Combat Readiness University.

Please read the following tips/system requirements to rapidly gain access to the courses you need.

If the course window is misaligned on your screen, try selecting your F11 key to resize the window.

Commanders Safety Course and Additional Duty Safety Course access;

You must meet the following system requirements:

- Netscape Navigator or Internet Explorer v 6.0 or better
- Adobe Acrobat reader ([free download here](#))
- Flash 7.0 ([free download here](#))

Certificates can be printed for the Commanders Safety Course and the Additional Duty Safety Course at this time.

To access the Occupational and Workplace Safety Courses you will be required to download a free player the first time you access the courses.

When asked to provide an employee ID use your SSN in order to ensure credit for the course and records update.

At present the course completion certificate is not in place for these courses. You will be able to return in just a few days to print your certificates for these courses.

For technical support please contact the US Army Combat Readiness
